190136 Leisure time Promotional-Set (49,99)

Everybody's favourite memory: the nostalgic outdoor village or small town swimming pool. The entrance area with turnstile, kiosk and cash desk as well as the changing rooms, the swimming pool, open-air showers, sun loungers with umbrellas, a lovingly designed playground with table tennis tables, various climbing equipment, slide and a diverse mini golf course all invite you to enjoy a carefree summer's day.

Contents: Entrance area, swimming pool, outdoor showers, sunbeds, sunshades, playground, table tennis tables, mini golf course

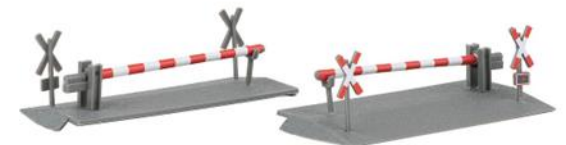

190137 Feldkirchen Railway station Promotional-Set (49,99)

All aboard, please! This station set includes a typical rural station with a beautiful grey stone façade and a partially covered platform, plus a two-story freight shed with a loading ramp and a small stationmaster's cottage with 2 barriers to create a railroad crossing.

Contents: Railroad station, freight shed, stationmaster's cottage, railroad crossing

190138 Sawmill Promotional-Set (57,99)

Craftsmanship! The open design of the sawmill and the lumberyard provide insight into the sawmill operation. The inn with a covered wooden terrace invites you to stay and relax. An idyllic half-timbered house completes the sawmill set.

Contents: Sawmill, inn, half-timbered house, lumber yard

190139 Alpine village Promotional Set (39,99)

Good maintenance for the locomotives!
The set for recreating a railroad depot from times past includes a locomotive shed, a water tower, a compressor house, a trestle crane, and two articulated water cranes.

Contents: Locomotive shed, water tower, compressor house, trestle crane, 2 articulated water cranes

190140 Small Railway Maintenance Services Promotional-Set (39,99)

Good maintenance for the locomotives!
The set for recreating a railroad depot from times past includes a locomotive shed, a water tower, a compressor house, a trestle crane, and two articulated water cranes.

Contents: Locomotive shed, water tower, compressor house, trestle crane, 2 articulated water cranes

190141 At the level crossing Promotional-Set (39,99)

Caution: Level crossing! This model kit consists of a gated railroad crossing with signal box, a freight shed with ramp, wooden pallets and ladder, as well as two pre-landscaped landscape segments with arbours and numerous garden accessories.

Contents: Signal box, freight shed, 2 allotments, level crossing with railroad barrier

190142 Winter in the mountains Promotional-Set (59,99)

Model winter atmosphere! Ensemble of a pair of two-story alpine houses and a chapel with covered porch and bell tower. The kit also includes icicles of different sizes and a mix of materials for making a glittering mass of snow, as well as detailed instructions for creating your very own winter landscape.

Contents: 2 alpine houses, chapel, 3 lighting bases, icicles, snow set

190143 Christmas market Promotional-Set (57,99)

Cozy atmosphere at the Christmas market! Decoration set with two classic Christmas market stalls offering finger noodles, raclette and hot punch. Another experience on the H0 model railroad layout is offered by the X-mas train carousel (not a functional model), which lights up more than just children's eyes. The carousel can be driven with the Synchronous hobby motor, Art. 180629 (not enclosed).

Contents: 2 Christmas market stalls, carousel, icicles, snow powder, white paint

134001 2 Christmas market stands (19,99)

134002 2 Christmas market stands with illuminated Christmas tree (29,99)

Christmas market magic on the HO model railroad. A gingerbread and mini-café stall full of treats with matching bar tables invite you to stay and relax.

Model making for Christmas too. The pre-Christmas spirit on the HO model railroad with atmospherically lit and snow-covered Christmas tree and two classic Christmas market stalls. Fairy lights with LEDs included.

- Connection: 5 V, DC voltage
- 20 warm white LEDs
- Total length: 400 mm

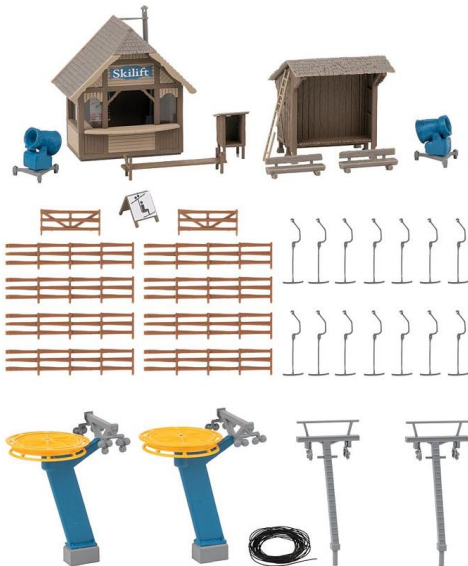

181245 Christmas tree with lighting (17,99)

134003 Tow lift with kiosk (47,99)

Childhood memories or the light-hearted mood of a day spent skiing can be creatively transformed into a winter landscape on the HO model railroad layout with the classic T-bar lift and many associated and matching accessories, such as two ski lift houses, snow cannons, fences, and benches.

190028 FALLER Advent Calendar Figures **H0** (39,99)

272001 FALLER Advent Calendar Figures **N** (39,99)

The run up to Christmas is advent calendar season. Behind each little door of this Christmas-themed treasure is one of the popular H0 miniature figures that make every modelling scene so colourful and lively.
